Demographics

Demographics Summary

Demographics:

Kline Whitis Elementary (KWE) is a Title I campus that utilizes funding to meet the needs of all learners, while maintaining a student population of approximately 410 students. KWE services students from Pre-Kindergarten to Grade 5 of which campus instructional teams grades Pre-K through Grade 3 are self-contained, and Grades 4 & 5 are departmentalized into English-Language Arts & Reading, Mathematics, Science & Social Studies. Fine Arts and Physical Education are offered as part of the foundational school program. This campus also houses the Preschool Programs for Children with Disabilities (PPCD) and the district's elementary Behavior Intervention Classroom (BIC).

The demographic make-up of KWE is as follows:

- African American- 1.2%
- Hispanic- 28.7%
- White- 64.0%
- American Indian- .7%
- Asian- 1.20%
- Pacific Islander- 0.5%
- Two or More Races- 3.6%;
- Economically Disadvantaged- 55.0%
- English Learners (EL)- 3.6%
- At-Risk- 32.8%
- Mobility- 8.1%
- Students w/ Disciplinary Placements (2015-2016) 0.4%

Percentage of Special Education Students at KWE 13.1%:

- SpEd Students with Intellectual Disabilities 27.8%
- SpEd Students with Physical Disabilities 27.8%
- SpEd Students with Autism 11.1%
- SpEd Students with Behavioral Disabilities 14.8%
- SpEd Students with Non-Categorical Early Childhood 18.5%

Staff Data:

KWE has maintained a 100% Highly Qualified staff. Nine staff members were hired to replace staff members who had moved or retired for the 2018-2019 school year.

Total Staff 46.3:

- Professional Staff: 32.3
- Teachers 28.6
- Professional Support 3.6%
- Campus Administration (School Leadership) 4.3%
- Educational Aides 30.2%
- Total Minority Staff 2.2%

Teachers by Ethnicity and Sex:

- White 96.5%
- American Indian 3.5%
- Males 7.0%
- Females 93.0%

Teachers by Highest Degree Held:

- Bachelors 71.0%

- Masters 29.0%

Teachers by Years of Experience:

- Beginning Teachers 3.5%
- 1-5 Years Experience 27.9%
- 6-10 Years Experience 21.8%
- 11-20 Years Experience 22.3%
- Over 20 Years Experience 24.4%
- Number of Students per Teacher 14.4

Experience of Campus Leadership:

- Average Years Experience of Principals 15.0
- Average Years Experience of Principals with District 6.0
- Average Years Experience of Assistant Principals 10.0
- Average Years Experience of Assistant Principals with District 0.0
- Average Years Experience of Teachers: 13.2
- Average Years Experience of Teachers with District: 8.7

Demographics Strengths

- Texas Accountability Rating of 'Met Standard' on Performance Indexes 1, 2, 3, & 4
- All staff members meet highly qualified status
- Years of teaching experience of professional teachers exceeds that of the district average.
- Percentage of staff members with Masters Degrees exceed that of both the district and state.
- ELL student percentage is well below that of the state average.
- Mobility rate of students is less than half of the state average.

Problem Statements Identifying Demographics Needs

Problem Statement 1: There is a growing percentage of students with special needs which require intensive intervention and assistance. **Root Cause:** Early identification efforts through RtI have increased.

Student Academic Achievement

Student Academic Achievement Summary

KWE Met Standard for all student achievement indicators in the 2018 Texas Accountability Rating System and exceeded the target score for student

achievement, student progress, closing performance gaps, and postsecondary readiness as detailed in the Performance Index Report.

The 2017 Accountability Summary tracks performance based on four indexes. Kline Whitis scored the following on each of the four indexes:

Index 1 - Student Achievement: 74

Index 2 - School Progress: 72

Index 3 - Closing Performance Gaps: 64)

The 2018 STAAR results indicate a need for continued work to improve scores to meet or surpass the state average. We will evaluate our Title I and State

Compensatory Education programs using data gathered from current year STAAR and local benchmarking and common assessments to evaluate the

effectiveness of our interventions. The assessment program will be expanded by utilizing Eduphoria Aware to track student mastery and to better guide our

instruction. Campus and district teams will continue to work towards vertical alignment and rigor with support through professional development.

Reading STAAR Scores: Approaches Meets Masters

- 3rd Grade - All students 87% 56% 35%
- 4th Grade - All students 67% 24% 9%
- 5th Grade - All students 84% 48% 19%

Math STAAR Scores: Approaches Meets Masters

- 3rd Grade - All students 91% 70% 39%
- 4th Grade - All students 71% 30% 15%
- 5th Grade - All students 99% 50% 20%

Approaches Meets Masters

Science STAAR Scores: 75% 41% 10%

Writing STAAR Scores: 47% 17% 0%

Student Academic Achievement Strengths

- Implementing the RTI process for all grade levels. We have a process in place to track, identify, and serve all struggling learners in Reading and Math.
- Campus benchmark system and common assessments enhanced by the use of Eduphoria Aware to track student mastery and to guide instruction.
- District common assessments are locally created and align with TRS and state standards.
- Strong UIL Academic program
- Materials used to aid students in their ability to focus and attend during class time to ensure that they are able to listen and focus on their work (specialized desks, seating, sensory motor lab).
- Equipped teachers with tools through Daily 5 integration to increase student engagement.
- Support provided to vertical alignment through safety nets, essential skills for success in Reading and Math for the next grade level.
- ESL facilitator is providing intervention for ELL both in class and through pull out programs.
- Addition instructional support given through Reading to targeted students.

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: Level III scoring may not be commensurate with school comparison group. **Root Cause:** Rigor along with strong Tier 1 instruction must be increased across the curriculum.

Problem Statement 2: STAAR Writing 4th grade Writing Results were below the state average. **Root Cause:** Need to increase focus on Writing curriculum base in all grade levels to help improve 4th grade Writing STAAR Results.

School Processes & Programs

School Processes & Programs Summary

Personnel- Policy and Procedures: New staff members are supported campus-wide by being partnered with veteran teachers, but also participating in a formal teacher mentoring program.

Throughout the year our staff meets to review both instructional and academic data for continuous improvement. The professional/staff development that our staff receives is monitored through data, frequent classroom visits by administrators, district staff, grade level/team meetings, vertical meetings, and individual conferences with teachers throughout the year. New teachers also attend two days of training prior to school starting for 2018-2019 school year.

The elementary curriculum specialist is now a full time position on the campus. Additional instructional support through a targeted Reading Specialist has been given this year.

The district has a heavy emphasis on in house staff development and encourages out of district workshop opportunities through the regional service center and surrounding areas. Grade level meetings and faculty meetings include opportunities for professional growth.

Professional Practices & Procedures:

Administrators monitor implementation of CIP objectives through classroom observations and provide two way communication about the observations through Eduphoria T-TESS. They also attend team meetings, analyze data using various testing instruments, and engage in professional conversations about student achievement with staff members. Individual teachers, grade levels, grade level leaders, and the Child Centered Team bring various academic topics to the table that reflect the needs of staff. TEKS Resource System is used across the curriculum as a means to provide a guaranteed and viable curriculum across all grade levels and all core subject areas. District wide common assessments and/or benchmarks are being implemented at the end of each nine weeks period.

KWE will:

- Utilize training and planning time:

- Which will involve all campus stakeholders in campus needs assessment, analysis, and future growth plans.
 - Update staff on STAAR information guides, released tests and study guides that are available
 - For differentiating instruction for Special Ed and General Ed staff, Literacy Collaborative, ELPS, and GT integrated strategies
 - To integrate STAAR objectives in P.E., Art, Music, Library, GT program
 - to conference and set goals after each common assessment by objective and student group to develop remediation/acceleration plans
- Grow new staff members through targeted support
- Utilize Grade Level, Departmental, and Committee Meetings to gather staff input
- Provide planning time to ensure that instruction is aligned to TEKS/SE and STAAR performance objectives
- Utilize Eduphoria Aware through data disaggregation sessions (with Elementary Curriculum Specialist/Interventionists/Administrators) for campus data to check
- progress towards mastery and identify areas of weakness

Campus Technology:

- The campus has one computer lab, at least five ipads and one computer per classroom, a teacher iPad, 5 class sets of Chromebooks available for checkout.
- Access to the Learning.com website gives students the opportunity to benefit from new technical remediation.
- Access to various computer programs (Prodigy, Xtramath, Learning A-Z, iStation and Think-Through Math) and small group tutorials provides educational activities to foster positive experiences in reading, math, science and writing while building specific foundational skills required for future STAAR success.
- Provide training:
 - Updated STAAR information guides, released tests and study guides as soon as they become available
 - For differentiating instruction for Special Ed and General Ed staff, Literacy Collaborative, ELPS, and GT integrated strategies
 - To integrate STAAR objectives in P.E., Art, Music, Library, GT program
 - Conference and set goals after each assessment by objective and student group to develop remediation/acceleration plans
 - District provides 1:1 iPads for 5th grade.

School Processes & Programs Strengths

Staff Quality, Recruitment, and Retention Strengths

- 100% Highly Qualified staff
- Consistent and purposeful staff development, both in and out of district, and staff meetings
- Formal teacher mentoring program
- Elementary curriculum coordinator involved in staff development to support teachers and their instructional needs.
- Elementary curriculum coordinator placed on campus to help support campus instructional needs daily.
- Professional teachers allowed one planning day after each Common Assessment/Benchmark testing session

- Staff development aligns with district initiatives.
- Instructional technologist position are in place
- Strong curriculum in TEKS Resource System.
- Program for Dyslexia Intervention (PDI)
- Open communication through grade level meetings
- Protected planning time, and curriculum planning days
- Instructional technology progress through addition of iPad carts, Chromebook carts. and iPads for each classroom
- Check points through district common assessments
- District common assessment and Benchmark data, and istation reading and math data is disaggregated and used for campus discussion and drives interventions
- Implementation of Reading Daily 5 in all Reading classes
- Curriculum specialists are focusing on building the writing curriculum across grade levels

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Staff turnover impacts consistency in school processes and programs from year to year. **Root Cause:** Issues such as lacking experience in classroom management practices, student discipline, and compensation are key contributors.

Perceptions

Perceptions Summary

School Culture and Climate Summary:

Research shows that teachers need to feel connected to a common goal that is communicated clearly and in a work place where they feel supported. Utilizing data from our campus-wide staff development feedback, teachers feel Kline Whitis Elementary has an overall effective and positive school climate.

Trainings provided by the district, campus, and service center continue throughout the year to address these classroom strategies. Research also indicates

that students who feel connected to their school, peers, and community are more likely to experience academic success and positive health.

Our campus is

committed to supporting our teachers in their endeavors to meet each student's academic needs as well as our students' social needs.

Provide training:

- Research based techniques to increase academic achievement through enhanced instructional and curricular techniques and resources
- On-site coaching and modeling with team meetings and classroom visits
- Drug/violence prevention, identification and report of child abuse, identification of homeless children
- District and Campus Crisis Management Plan
- RTI procedures and time lines
- Provide leadership opportunities for staff members
- Provide classroom instruction in Coordinated School Health program and wellness
- Drug Awareness Week activities and incentives
- Continue reading incentive programs that culminate in the nine-weeks reading awards.
- Provide instruction in drug prevention, good decision-making, and bullying
- Ensure facilities meet the needs of the instructional program and student needs
- Gather data from staff development feedback
- Formalized mentor program to provide support to first and second year teachers to increase teacher retention
- Targeted beginning of the year staff development sessions to improve instructional practices
- Designated horizontal planning days
- Honor Guard for student leaders
- Student safety awareness training
- Incentive Programs- Such as Perfect Attendance Incentive, and Bluebonnet Reading award.
- Caught Being A Badger Award
- 9 Week Award Ceremony
- Implementing Daily 5

- Partnering with Parents on Facebook LIVE
- Marathon Kids
- Future Fridays

Family and Community Involvement Summary:

KWE hosts several opportunities for our families and community members throughout the school year. Each year students and parents are invited to "Meet the Teacher Night" the week before school starts. Book Fairs are held at least twice a year in conjunction with Family Nights. We also host a "GRAND Meal" to invited special individuals to come eat with students. Partnering with Parents, presented through Facebook LIVE, presents a variety of topics, including how parents can help their child with Math, Reading, and/or Science. Students and parents are able to find books online, gaining access to electronic books, through links on our school library website. Most of our textbooks are available online also. Fine Arts programs have been presented in the form of student led musicals/performances along with programs emphasizing the child's total health and fitness through jump-rope and other cardiovascular activities, such as Marathon Kids.

The campus invites all veterans from the surrounding areas for the annual student led program on Veteran's Day. All activities are posted on the school and district website as well as the campus marquee. Special events are advertised in the Lampasas Dispatch Record, Lampasas Radiogram, Twitter and on Facebook. The campus has an active PTA organization that supports the campus with monetary and service support. ESL Family Night is held to encourage and include this school demographic in bridging the home/school connection.

Notes are sent home in both English and Spanish well in advance of the scheduled events. Campus administration utilizes the Blackboard messaging system to communicate events and activities to parents in both English and Spanish. Campus newsletters are sent home once a month, informing parents of past highlights and up coming information they may need to know. The Parent Connection newlsetter is sent home monthly as well to provide parents useful tools and strategies in support of their child's success at school. Grade levels have each adopted a communication system, usually a daily or weekly folder system for transporting school work, announcements and behavioral information to parents. KWE also teams up with local community businesses and organizations to provide outreach programs to our community and students, such as Future Fridays/career days. Our annual district parent survey collects valuable input from all shareholders. Parents serve on KWE's campus site-based decision making committee, as well as on the district site-based decision making committee when requested.

Perceptions Strengths

- Targeted Staff Development- Grade level members are sent to curriculum training to support the implementation of district approved curriculum,
- including training on high yield instructional practices.
- Targeted Staff Development- Classroom teachers are participating in curriculum training to support the implementation of latest research based ELAR instruction using the Daily 5 Model.
- Child Centered Team- Utilizes data-driven decision making process to identify, monitor, and meet student areas of need
- Family Night – A fun, educational experience for students and parents that is provided 4 evenings per year by faculty
- Incentive Programs- Such as Perfect Attendance Incentive, and Bluebonnet Reading award, awards assemblies
- Formal Teacher Mentor program continues.
- Staff horizontal planning days
- Increased safety awareness through grade level and campus-wide meetings
- Elementary Campus School Resource Officer (shared)
- PTA membership increases yearly
- Designated parent/teacher conference days
- Increased opportunities to involve parents in school functions is developing stronger relationships among parents and staff
- Intentional parent academies are educating parents to specific school programs (STAAR, Remind, Bloomz, eBook Reader, Campus Needs Assessments, AR, ELL,)
- Adding new components to Family Nights (theme dress ups with opportunities to win book fair certificates, and each student was give a book)
- Family night attendance is improving
- HEB supports KWE event nights and instructional needs.
- Adopt-A-School involvement from the Ft. Hood.
- Books & Badgers Events one Saturday per month at the Lampasas Public Library.
- Community member reading program.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: Daily 5 classroom implementation needs to be strengthened across the campus. **Root Cause:** Need to provide continued professional development opportunities to strengthen implementation into ELAR routines.
