### Rating Worksheet

Preliminary ratings are to be released by Texas Education Agency in the summer of 2013. The Commissioner's Rules for School FIRST are contained in Title 19, Texas Administrative Code, Chapter 109, Subchapter AA, Commissioner's Rules Concerning Financial Accountability Rating System.

The questions a school district must address in completing the worksheet used to assess its financial management system can be confusing to non-accountants. The following is a layman's explanation of what the questions mean—and what your district's answers can mean to its rating.

#### **1. Was total Fund Balance less Nonspendable and Restricted Fund Balance greater than Zero in the General Fund?**

School districts must legally have a fund balance to ensure adequate funding for operations. This indicator is designed to ensure that your district has a positive amount of fund balance cash (savings) that is not designated or "restricted" for a specific purpose. In other words, "Does your district have funds set aside for a rainy day?"

#### **2. Was the Total Unrestricted Net Asset Balance (Net of Accretion of Interest on Capital Appreciation Bonds) in the Governmental Activities Column in the Statement of Net Assets Greater than Zero? (If the District's Five-Year Percent Change in Students was a 10% Increase or More then Answer Yes)**

This indicator simply asks, "Did the district's total assets exceed the total

amount of liabilities (according to the very first financial statement in the annual audit report)?" Fortunately this indicator recognizes that high-growth districts incur large amounts of debt to fund construction, and that total debt may exceed the total amount of assets under certain scenarios.

#### **3. Were there NO disclosures in the Annual Financial Report and/or other sources of information concerning default on bonded indebtedness obligations?**

This indicator seeks to make certain that your district has paid your bills/obligations on bonds issued to pay for school construction, etc.

#### **4. Was the Annual Financial Report filed within one month after the November 27 or January 28 deadline depending upon the district's Fiscal Year end date (June 30 or August 31)?**

A simple indicator. Was your Annual Financial Report filed by the deadline?

#### **5. Was there an Unqualified Opinion in the Annual Financial Report?**

A "qualification" on your financial report means that you need to correct some of your reporting or financial controls. A district's goal, therefore, is to receive an "unqualified opinion" on its Annual Financial Report. This is a simple "Yes" or "No" indicator.

#### **6. Did the Annual Financial Report NOT disclose any instance(s) of material weakness in internal controls?**

## *How Ratings are Assessed*

---

A clean audit of your Annual Financial Report would state that your district has no material weaknesses in internal controls. Any internal weaknesses create a risk of your District not being able to properly account for its use of public funds, and should be immediately addressed.

### **7. Was the three year average percent of total tax collections (including delinquent) greater than 98 percent?**

This indicator measures your district's success in collecting the taxes owed to you by your community's businesses and homeowners, placing a 98 percent minimum collections standard. You must collect based upon a three-year average more than 98% of your taxes, including any delinquent taxes owed from past years. A district earns up to five points under this indicator based upon its relative performance.

### **8. Did the comparison of PEIMS data to like information in the Annual Financial Report result in an aggregate variance of less than 3 percent of expenditures per fund type (Data Quality Measure)?**

This indicator measures the quality of data reported to PEIMS and in your Annual Financial Report to make certain that the data reported in each case "matches up." If the difference in numbers reported in any fund type is 3 percent or more, your district "fails" this measure.

### **9. Were Debt-Related Expenditures (net of IFA and/or EDA allotment) less than \$350 per student? (If the district's five-year percent change in students was a 7 percent increase or**

**more, or if property taxes collected per penny of tax effort were more than \$200,000, then the district receives 5 points.)**

This indicator shows the Legislature's intent for school districts to spend money on education, rather than fancy buildings, by limiting the amount of money district's can spend on debt to \$350 per student. Fortunately, the Legislature did allow for fast-growth schools to exceed this cap. A district earns up to five points under this indicator based upon its relative performance.

### **10. Was there NO disclosure in the Annual Audit Report of Material Noncompliance?**

NO disclosure means the Annual Audit Report includes no disclosure indicating that the school district failed to comply with laws, rules and regulations for a government entity.

### **11. Did the district have full accreditation status in relation to financial management practices? (e.g. no monitor, conservator, management team or board of managers assigned)**

Did TEA take over control of your district due to financial issues such as fraud or having a negative fund balance? If not, you pass this indicator.

### **12. Was the aggregate of Budgeted Expenditures and Other Uses LESS THAN the aggregate of Total Revenues, Other Resources and Fund Balance in General Fund?**

Did you overspend your budget? Your district will receive a negative rating on this measure if your total expenditures

## How Ratings are Assessed

and other uses for the fiscal year exceeded your total funds available.

**13. If the district's Aggregate Fund Balance in the General Fund and Capital Projects Fund was LESS THAN zero, were construction projects adequately financed? (Were construction projects adequately financed or adjusted by change orders or other legal means to avoid creating or adding to the fund balance deficit situation?)**

Did you over-spend on school buildings or other capital projects? This indicator measures your district's ability to construct facilities without damaging your Fund Balance.

**14. Was the ratio of Cash and Investments to Deferred Revenues (excluding amount equal to net Delinquent Taxes Receivable) in the General Fund greater than or equal to 1:1? (If Deferred Revenues are less than Net Delinquent Taxes Receivable, then the district receives 5 points)**

This indicator measures whether or not your district has sufficient cash and investments to balance Fund Balance monies such as TEA overpayments (deferred revenues). In other words, your District should have fund balance monies of its own that are at least equal to those dollars that are there due to overpayments from TEA, and you should not be spending "next year's" monies this year. A district earns up to five points under this indicator based upon its relative performance.

**15. Was the Administrative Cost Ratio less than the Threshold Ratio?**

This indicator measures the percentage of their budget that Texas school districts spent on administration. Did you exceed the cap in School FIRST for districts of your size?

**16. Was the Ratio of Students to Teachers within the ranges shown below according to district size?**

This indicator measures your pupil-teacher ratio to ensure that it is within TEA recommended ranges for district's of your student population range. For example, districts with a student population between 500 and 999 should have no more than 22 students per teacher and no fewer than 10 students per teacher. A district earns up to five points under this indicator based upon its relative performance.

Indicator 16		
District Size – No. of Students	Ranges for Ratios	
	Low	High
<500	7	22
500 – 999	10	22
1,000 – 4,999	11.5	22
5,000 – 9,999	13	22
=> 10,000	13.5	22

**17. Was the Ratio of Students to Total Staff within the ranges shown below according to district size?**

This indicator measures your pupil-staff ratio to ensure that it is within TEA-recommended ranges for district's of your student population range. For example, districts with a student population between 500 and 1,000 should have no more than 14 students per staff member and no fewer than 5.8 students per district employee. A district earns up to five points under this indicator based upon its relative performance.

=> 10,000	7.0	14

**18. Was the decrease in Unassigned Fund Balance less than 20% over two fiscal years? (If total Revenues exceeded Operating Expenditures in the General Fund, then the district receives 5 points)?**

Are you “feeding off of your Fund Balance” to pay for salaries or other district operating expenses? This indicator notes rapid decreases in your undesignated Fund Balance (those dollars not designated as a “land fund” or “construction fund”) or emergency fund. A district earns up to five points under this indicator based upon its relative performance.

**19. Was the Aggregate Total of Cash and Investments in the General Fund more than \$0?**

Does your district have cash in the bank, and/or investments?

**20. Were Investment Earnings in all funds (excluding Debt Service Fund and Capital Projects Fund) Meet or Exceed the 3-Month Treasury Bill Rate?**

Are you using your cash or reserve fund (Fund Balance) monies wisely? A district earns five points if the investment performance meets or exceeds the benchmark rate.

#### **II. Employment**

- 2.1 *Duties.* The Superintendent is the educational leader and chief executive of the LISD and shall faithfully perform the duties of the Superintendent of Schools for the LISD, as prescribed by Texas law and in the adopted job description and as may be assigned by action of the Board, and shall comply with all Board directives, state and federal law, LISD policy, rules, and regulations as they exist or may hereafter be amended. The Superintendent shall perform the duties of the Superintendent of Schools for the LISD with reasonable care, diligence, skill, and expertise and shall devote substantially all of his time, skill, labor, and attention to his employment and the performance of these duties during the term of this term contract.
- 2.2 *Professional Certification.* The Superintendent shall at all times during employment by LISD hold a valid certificate required of a superintendent by the State of Texas and issued by the Texas Education Agency or the State Board of Educator Certification and all other certificates required by law. The Superintendent represents that he has made written disclosure to the Board of any conviction for a felony or for any offense involving moral turpitude. The Superintendent shall also be subject to a criminal history record check, and his employment is contingent upon such results being favorable and consistent with information previously disclosed to the Board.
- 2.3 *Reassignment.* The Board may reassign the Superintendent to another position only if the Superintendent expressly consents in writing.

- 2.4 *Board Meetings.* The Superintendent shall attend all meetings of the Board, both open to the public and closed, unless a majority of the Board determines that the Superintendent should be excluded. The Superintendent generally shall be excluded from all or a portion of those closed meetings devoted to the consideration of any matter regarding the Superintendent's employment, the Superintendent's salary and benefits, and the Superintendent's evaluation and from those closed meetings devoted to interpersonal relationships between individual Board members.
- 2.5 *Criticisms, Complaints.* Individual Board members shall refer to the Superintendent all substantive criticisms, complaints, and suggestions brought to their attention by employees or members of the public. The Superintendent shall look into the matter and direct a complainant to the appropriate policy for resolution of the complaint. - 3.2 *Salary Adjustments.* The Board will consider all compensation regularly and determine if increases are warranted by performance, longevity, and general economic conditions. Such adjustments, if any, shall be effective on the July 1 following approval of the adjustment and shall be in the form of a written addendum to this term contract or a new contract shall be issued.
- 3.3 *Vacation, Holidays, Leave Benefit.* Subject to the Board's approval of the scheduling, the Superintendent may take ten days of vacation each year of this contract; vacation in the first year of the contract is available after completing six months of service under this contract. These vacation days will be taken at times that will least interfere with the performance of the Superintendent's duties as set forth in this term contract. Unused vacation does not accumulate from year to year and cannot be converted into compensation at the termination of the employment relationship or any other time. The Superintendent shall observe the same holidays and breaks as provided by the Board's adopted annual calendar. The Superintendent shall be subject to the leave policies applicable to all employees as stated in adopted board policy.
- 3.4 *Insurance.* The LISD shall pay the same premium for hospitalization and any other coverage for the Superintendent as provided by the District to all other employees.

- 3.6 *Professional Growth.* The Superintendent shall devote the Superintendent's time, attention, and energy to the direction, administration, and supervision of the LISD. The Board, however, encourages the continued professional growth of the Superintendent through the Superintendent's active attendance at and participation in appropriate professional meetings at the local, regional, state, and national levels. The Board encourages the use of data and information sources, and shall encourage the participation of the Superintendent in pertinent education seminars and courses offered by public or private institutions or by educational associations, as well as the participation in informational meetings with those individuals whose particular skills, expertise, or backgrounds would serve to improve the capacity of the Superintendent to perform the Superintendent's professional responsibilities for the LISD. In its encouragement of the Superintendent to grow professionally, the Board shall permit a reasonable amount of release time for the Superintendent as the Superintendent and the Board deem appropriate, to attend such seminars, courses, or meetings. The LISD does hereby agree to provide in the LISD's budget during the term of this Contract for the benefit of the Superintendent, a professional development budget per contract year to be used for registration, travel, meals, lodging, and other related expenses. The LISD shall pay the Superintendent's membership dues to two professional associations.
- 3.7 *Civic Activities.* The Superintendent is encouraged to participate in community and civic affairs. The reasonable expenses of such activities shall be borne by the LISD for one (1) civic organization.
- 3.8 *Outside Consultant Activities.* With the prior consent of the Board, the Superintendent may serve as a consultant or undertake speaking engagements, writing, teaching, or other professional duties and obligations outside the LISD (referred to collectively herein as "Consulting Services") that do not conflict or interfere with the Superintendent's professional responsibilities to the LISD. The Superintendent may accept a reimbursement of expenses and/or be paid an honorarium for such Consulting Services at no expense to the LISD. Consulting Services provided by the superintendent under the terms and conditions of this paragraph must be consistent with state and federal law.

#### **IV. Annual Performance Goals**

The evaluation and assessment shall be reasonably related to the duties of the Superintendent. The evaluation of the Superintendent shall at all times be conducted in closed meeting.

- 6.1 *Renewal/Nonrenewal.* Contract renewal or nonrenewal shall be in accordance with Board policy and Section 21.212 of the Texas Education Code. It is expressly agreed by the parties that "loss of confidence in the Superintendent by the Board" shall be a valid ground for nonrenewal pursuant to Section 21.212 of the Texas Education Code.
- 6.2 *Appeal.* If the Superintendent is aggrieved by the Board's decision, he may appeal to the Commissioner of Education in accordance with Subchapter G, Chapter 21, of the Texas Education Code.
