## 23-24

The district enrollment showed an increase of 61 students compared to the first day of school in 22-23. All campuses, with the exception of Taylor Creek Elementary increased in enrollment. Taylor Creek was initially down 19 students. As of September 1st, overall attendance had increased by 59 students. Total enrollment - 3544, Kline Whitis -1, Hanna Springs remained the same, Taylor Creek +15, LMS +29, and LHS +16.

## 22-23

The district enrollment showed a decrease of 30 students compared to the first day of school last year. However, by September overall attendance had increased by 152 students. Total enrollment - 3, 562, Kline Whitis +22, Hanna Springs + 35, Taylor Creek +9, LMS -10, and LHS +96 students.

## 21-22

The district enrollment was up for the first day of school for the 2021-2022 school year by 26 students (as compared to the previous year). Kline Whitis, Hanna Spings, and the middle school all showed increases in enrollment from the previous school year. Lampasas High School and Taylor Creek showed slight decreases in enrollment. Previously, enrollment has fluctuated approximately 40 students from year to year. The district has continued to show slight increases in enrollment between campuses as the school year has progressed.

## 20-21

51.1% of the student were eligible for free/reduced meals during the '19-'20 year.

10.4% of the students were served through Special Education.

97 students are identified at English Language Learners (ELL) and 97 (3.0%) were served through ESL.

During the '19-'20 school year, 311 students (9.4%) were served in the GT program; as compared to the '18-'19 school year of 324 (9.6%)

353 (10.5%) of the students are served through Special Education services.

while White students decreased from 62% to 58%.

21-22

Demographic statistics related to district ethnicity remained almost unchanged. Hispanic population increased by 1.3% while White student enrollment decreased by 1.4%.

20-21

Demographics between the three elementary campuses are relatively consistent. Ethnicity comparisons between the three are relatively close. Taylor Creek has the highest mobility rates at 19.2% while the other campuses range between 12.2% and 15.1%. The percent English Language Learners ranges from .9% at High School to 6.2% at Hanna Springs.

### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1:** The district percentage of economically disadvantaged students has consistently been above 50%. Data indicates a 2% increase over 2022-2023. **Root Cause:** Students that are economically disadvantaged often need increased academic support.

# Student Achievement

## Student Achievement Summary

### 2023-2024

**TEA announced a delay in the issuance of district and campus ratings to conduct further analyses of the growth data to determine cut scores in Domain 2a-Academic Growth, and Domain 3-Closing the Gaps. Local projections based on results and the current system are:**

**District Preliminary Score - 84 - B**

**LHS - 90 - A**

**LMS - 81 - B**

**Kline Whitis - 87 - B**

**Hanna Springs - 68 - D**

**Taylor Creek - 79 - C**

### 2022-2023

Lampasas I.S.D. received an "A" letter grade for the 2021-2022 school year. The district's Domain I component score increased from a 47 to a 52. Campus specifics were as follows:

Kline Whitis - "A" - Earned distinctions in ELA, Postsecondary Readiness, and Closing the Gaps

Hanna Springs - "B" Earned a distinction in ELA

Taylor Creek- "A" - Earned distinctions in ELA, Postsecondary Readiness, and Academic Growth

LMS - "B" - Earned distinctions in ELA, Science, Social Studies, Academic Growth Postsecondary Readiness, and Closing the Gaps

LHS - "B" - Earned a distinction in ELA

### 21-22

All districts in Texas once again received a label of "Not Rated" for the 2020 -2021 school. The district's Domain I component score of 47 equaled the score LISD received in 2019. This was accomplished amid the Covid shutdown and the challenges of implementing home learning. Domain 2 (Academic Growth) was not rated in 2020 - 2021 due to STAAR Tests not being administered in 2019 - 2020. Several areas of strength were noted by campuses in Domain 3. All LISD campuses did reflect some learning loss in state assessment results. However, multiple areas of improvement were also noted.

## 20-21

**Lampasas ISD** received a label of "Not Rated" for the 2019-2020 school year due to the circumstances surrounding COVID-19. STAAR testing and End-of-Course Assessments were not administered. However, Lampasas ISD earned an 86 (Letter B) Overall District Score according to the new A-F Texas Accountability Rating System for 2019. This was a 7-point increase from the previous school year. Lampasas High School received distinction designations in 3 out of 7 areas. Hanna Springs Elementary also received distinction designations in 3 out of 7 areas.

As a whole, LISD continues to show growth and improvement in a numbers of key academic areas. Increased student growth and performance is due to a number of initiatives: expanded instructional technology including improved technology infrastructure, additional digital programs and devices and extensive training in effective use of instructional technology; intervention programs for our at-risk population on each campus; and, expanded staff training opportunities to include the Components of Highly Effective Instruction, increased support from Instructional Specialists, Designing and Delivery of Engaging Lessons, and campus-centered walk-through protocols.

### Student Achievement Strengths

## 2023-2024

**Within Domain I - An analysis of Approaches, Meets, and Masters %'s, indicated our elementary campuses outperformed state averages in 16 of 21 areas. The middle school was above the state in 19 of 24 areas and the high school in 13 of 15. After TEA releases final accountability ratings, are more detailed analysis of Domain 2 and 3 can be conducted.**

## 2022-2023

Within Domain I - An analysis of Approaches, Meets, and Masters %'s, indicated our elementary campuses outperformed state averages in 16 of 21 areas. The middle school was above the state in 20 of 24 areas and the high school in 9 of 15. Domain 2 - Academic Growth scale score increased from a 73 to an 89 between 2019 and 2022. Domain 3 - Closing the Gaps showed the district achieving 31 of 35 state targets.

## 21-22

Within Domain 3 of the accountability system, the elementary campuses exceeded state targets in reading in 8 areas of Academic Achievement Status. The middle school campus exceeded state targets in 15 total areas (math and reading) and the high school exceeded in 25 targets within Domain 3. (math, reading, graduation rate, and CCMR) At the secondary level, Hispanic students exceeded the state reading target by 9% points in the Academic Achievement section of Domain 3.

## 20-21

**STAAR Achievement:** LISD performed well on STAAR assessments administered in 2019 by scoring at or above state averages on 15 of 22 assessments. Our district earned 6 distinctions, and was in the 2nd Quartile in 12 different areas. Several distinctions were missed by only a few percentage points.

**CCMR:** Our LISD College, Career, and Military Readiness Data (from the 17-18 school year) indicates that 64% of all LISD graduates were considered CCMR upon graduation. This number is up 19 percentage points from our previous data point in the '16-'17 school year. This data is based on TEA performance/standards in the areas of: SAT/ACT/TSI exams, AP exams, dual credit enrollment, industry-based certifications, associate's degrees,

"workforce ready" IEP graduates, military enlistings, and CTE coherent-sequence enrollment. This continues to be an area of focus and growth for all students.

**SAT/ACT:** 46% of students who graduated in 2018 were successful on the SAT/ACT and/or TSI assessments. Average TSI scores in Lampasas ISD were above state averages in Reading, English, Science, and Math.

#### **Problem Statements Identifying Student Achievement Needs**

**Problem Statement 1:** After TEA releases final accountability ratings, specific areas of concern will be noted.

# District Culture and Climate

## District Culture and Climate Summary

**Each campus has initiatives in place which focus on improving safety, character, and the overall school climate. Campus leaders work toward a goal of having students and staff connected in a positive and productive learning environment. Specific areas of strength designated below.**

## District Culture and Climate Strengths

**The strengths of the school are the staff members who invest in the students and their learning.**

**Student population and class sizes are good and class sizes are small enough to be able to give attention to individual students.**

**Students are prepared through different avenues such as OnRamps, Honors, AP, Dual Credit, and CTE classes.**

2022-2023 Comments

Taylor Creek

Teachers and Staff involvement in Students and Academic Learning and having fun while doing it to become better People in our World. I can't speak Highly enough about the Educators at Taylor Creek Elementary.

Teacher involvement and the assistant principal has great rapport with families.

The office staff is very helpful and readily answers questions without issue.

Hanna Springs

Everyone is fairly easy to speak to and the teachers communicate well with parents.

Great school! The school's overall design is wonderful and serves as the perfect backdrop for all the beautiful decorations the students make during the year.

Teachers seem happy, students seem happy. Good job! I feel the school cares about the kids and parents. I appreciate the effort getting information out to the parents.

Kline Whitis

I appreciate all of the academic intervention that is offered.

Small size allows staff to get to know all the students.

Kline Whitis does an excellent job setting high standards and expectations for all students. Teachers are valued. My child comes home everyday to tell me something new he has learned. Kline Whitis has a great staff. Everyone supports each other. Kline Whitis also provides a rewarding and supportive environment.

LMS

I feel like the middle school provides a great opportunity for students to participate in multiple different activities both in and out of school.

The teachers generally care for the well being of all students and work to make their learning fun. My son has excelled academically

The teachers seem committed and passionate about their students. The campus/staff makes the kids feel safe.

LHS

SMALLER CLASSES, GREAT TEACHER AND COACHES THAT ENCOURAGE MY STUDENTS.

A variety of classes to choose from.

The teachers that do a good job do a GREAT job with communication, classroom management, prompt grading/feedback, meaningful lessons and discussions. We hope they are recognized and congratulated for their efforts publicly

21-22

Specific strengths spotlighted in parent survey comments:

### Hanna Springs

Small student-parent ratio, good flow of information. I feel like it's an environment conducive to learning. I feel welcomed when I come to the school and a part of my son's education. I feel like it's a warm, friendly environment.

### Kline Whitis

The communication from the school to the parent is excellent. My child has attended Kline Whitis Elementary school from Kindergarten to now 5th grade, and we have always felt very comfortable with the attention and care they have provided to my child. The children and their safety and well-being is most important. The teachers are excellent. They are top-notch, and we have had a good experience with every single one of them that our child has had.

### Taylor Creek

Great staff! I feel like everyone at the school cares about my kids, and all the kids. I feel like everyone is very involved and it's a very happy atmosphere, and therefore they want to try their hardest and have a wonderful learning environment.

### LMS

Teachers care a lot, understanding, and encouraging, love that students have a Chromebook, my children have more freedoms and options, versus elementary, I appreciate the opportunities for those freedoms  
Love the choice of electives

### LHS

There are some very good teachers and staff that are encouraging, motivating, respectful and kind. They make the school environment a better place.

Each campus is focusing of positive behavior supports and health and wellness using strategies such as: attendance incentives, Rachel's Challenge, SADD, Red Ribbon Week, Fire Prevention Month, Marathon Club, Coordinated Health Programs, iCafes, Family Night Events and Parent Academies, and monthly review of behavior expectations with the campus principal as well as a Live Well Program for staff.

Campuses establish behavior expectations and communicate them through assemblies at the beginning of the year, and reinforce expectations throughout the year.

Campuses routinely practice COVID-19 cleanliness practices, as well as standard safety drills: fire, tornado, intruder, social media.

Staff Development: Staff development opportunities are based on teacher input, T-TESS goals as well as data-walks information based on research-based Learning Keys strategies to increase student learning. Evaluations indicate staff enjoy the conference-style two-day August PD that allows staff to choose 12 sessions out of just under 100 offerings. All teachers and students grades 4-12 completed surveys covering a variety of topics, to include campus climate. Since COVID-19 prevented our traditional format, our campuses maintained local PD as needed for each content area of teachers this year.

Public affirmation via our website and district social media sites. Twitter is being utilized as a means to share exceptional learning experiences happening within the district in addition to a means for staff to collaborate.

The Components of High Effective Instruction have become the standard for LISD teaching. New teachers to the district receive the training during August PD so that all teachers have been trained in this initiative for a common understanding of the expectations of the district. These research-based strategies include a focus on questioning students at a higher level on Bloom's taxonomy as the district addresses a need to increase "Masters" level performance.

### **Problem Statements Identifying District Culture and Climate Needs**

**Problem Statement 1:** Supporting the social and emotional welfare of students and staff is an integral part of a successful school system. LISD will continue to refine programs in an effort to increase positive climates at each campus for students and staff. **Root Cause:** Multiple factors including: Staff - An increase in challenging student behavior, and an increase in staff responsibilities. Students - An increase in unstable family situations, and peer conflicts complicated by social media.

## Staff Quality, Recruitment, and Retention

### Staff Quality, Recruitment, and Retention Summary

Lampasas ISD continues to work to attract and retain the highest quality teachers and staff. **District salaries, benefits, and stipends are reviewed annually in an effort to stay competitive with area schools. LISD will continue to use various methods to advertise job openings. Ex. the district website, TASA, ESC Region 12, and social media sites.** Professional development opportunities will be provided that are relevant to the needs of staff and are in alignment with district goals.

### Staff Quality, Recruitment, and Retention Strengths

**Multiple areas of strength related to staff quality, recruitment and retention are noted below:**

- The district teacher mentoring program was revised this year to offer increased supports.**
- Instructional specialists at each campus work to provide relevant professional development and support to staff.**
- Teachers are provided additional planning/networking days to collaborate with subject area staff.**

- The district approved pay increases for all staff for the 2022-2023 school year.
- The district continues to explore ways to expand district health and wellness supports.

#### **Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs**

**Problem Statement 1:** The current teacher shortage has made the process of finding qualified applicants more difficult. **Root Cause:** College education programs are producing a smaller number of candidates than in previous years.

# Curriculum, Instruction, and Assessment

## Curriculum, Instruction, and Assessment Summary

**Lampasas ISD continues to provide support to each campus through instructional coaching, up to date technology, and curriculum revisions. Elementary staff members continue to take part in Reading Academies. This training will focus on increasing the reading proficiency for students in grades K-3. In addition, our district utilizes a comprehensive system of common assessments and benchmarks in core subjects. Eduphoria Aware is used for data disaggregation and multiple item banks including, STAAR Testmaker and TRS assessment items assist in keeping assessments relevant. Assessments are aligned to STAAR blueprints and testing guidelines and data protocols are established and distributed to staff and administration. New platforms such as TFAR and Interim Assessments are being utilized to further support the move to all on-line STAAR Testing. All campuses provide time and a consistent template to assist in the analysis of data after each assessment. Campus appraisers conduct consistent Learning Walks and provide detailed feedback to teachers. The TEKS Resource System continues to be used as a tool to ensure student expectations are covered to the correct level of specificity.**

## Curriculum, Instruction, and Assessment Strengths

### **Strengths related to LISD's Curriculum, Instruction, and Assessment:**

- All elementary campuses are utilizing the Foundations phonics based program.**
- All students who were unsuccessful on any 2023 STAAR Test, will receive 15 or 30 hours of accelerated instruction during summer school or during the 2023 -2024 school year.**
- Multiple computer programs are available to assist students. (Amplify, Xtra Math, Prodigy, Learning A-Z, M-Class, IXL, Edenuity, Quizizz, GimKit, Kessler, BioReTeks, AlbertIO, Discovery Ed, Nearpodetc.)**
- All campuses have an enrichment/Academic period built into the master schedule.**
- A consistent RTI documentation process is being followed at elementary and middle school campuses.**
- A variety of Staff Development is provided by district staff during the summer, as well as before and during school. In addition to face to face trainings, and newly updated eCourses are also available.**
- The middle school and high school continue to expand Career and Technology Classes.**

## Problem Statements Identifying Curriculum, Instruction, and Assessment Needs

**Problem Statement 1:** We will work to ensure that staff and students have sufficient preparation with technology devices and test taking strategies. Additionally, all students will have multiple practice opportunities on state testing platforms prior to state testing in the 2023-2024 school year. **Root Cause:** State Assessments moved to a complete on-line platform in 2023.

# Parent and Community Engagement

## Parent and Community Engagement Summary

Lampasas ISD actively works to engage parents and the community in the education process of our students. LISD hosts multiple opportunities for our families and community members to be involved at every campus. All activities are posted on school and district websites as well as marquees. Campuses additionally utilize Parent Portals within Learning Management Systems in an effort to keep parents notified of upcoming events. Notes are also sent home in both English and Spanish well in advance of the scheduled activities. CatapultK12 Mass Communication (School Messenger Announcements) are used to communicate events and activities to parents as well. LISD periodically partners with local community businesses and organizations to provide outreach programs to our community and students. An annual district parent survey collects valuable input from all stakeholders.

## Parent and Community Engagement Strengths

### Strengths related to LISD's Parent and Community Engagement:

- All Campuses conduct "Meet the Teacher" Nights at the beginning of each school year.
- Students with disabilities work at local businesses to gain employability skills (bank, veterinary clinic, hospital, grocery store, lawyer's office). These opportunities continue to increase as our CTE program expands and as our district collaborates with community members.
- Family Nights are scheduled throughout the year at our elementary campuses. This also includes district ESL Family Nights.
- District events are communicated through multiple avenues such as school messenger announcements, newsletters, the Lampasas Dispatch, Lampasas Radiogram, Twitter, and Facebook.
- Specific parent/student meetings are conducted during each school year. (Sport specific, academic scheduling, fine arts, etc.)
- Book fairs are held at all elementary and the middle school campus.
- Awards programs are held at all campuses throughout the school year.
- Veterans programs are held each year to educate students and honor veterans.
- Grandparents are honored at all elementary campuses at annual events.

## Problem Statements Identifying Parent and Community Engagement Needs

**Problem Statement 1:** Parent involvement in campus partnerships at all campuses could increase. **Root Cause:** The work schedules of a great number of parents makes it difficult for many to attend school events.

# District Context and Organization

## District Context and Organization Summary

**The mission of the Lampasas Independent School District is to develop and encourage life-long learners and to share in the responsibility of educating the total child. The District strives to prepare the students physically, mentally, socially and morally toward the full realization of their highest capacities. The mission is periodically reviewed by the school board.**

**The district and campuses consistently schedule site based meetings to involve multiple stakeholders in the decision making process. Comments obtained from annual campus surveys reveal an overall positive view of the school district by community and staff members. Each campus principal focuses on increasing academic performance in his or her role as instructional leader. In recent years, multiple full and part time interventionists have been added at campuses throughout the district to increase overall academic support. In spite of the many academic challenges attributed to the Covid Pandemic, Lampasas ISD received an "A" letter grade for the 2021-2022 school year and achieved a Domain 1 component score of 47 in 2021. This equaled the pre-pandemic Domain 1 score in 2019.**

## District Context and Organization Strengths

### **Strengths related to District Context and Organization:**

- The use of Learning Management Systems (Canvas and Google) continues to increase.**
- Administrators consistently monitor the implementation of strategies outlined in their Campus Improvement Plans.**
- Each campus schedules faculty, grade, and subject level meetings to provide appropriate communication to all staff.**
- Campus principals and assistants perform Eduphoria Learning Walks each 9-weeks to provide growth specific feedback to teachers.**
- Campus principals and assistants monitor Skyward Gradebook to ensure an appropriate number of grades are assigned.**
- Periodic principal and director meetings are scheduled by the Superintendent.**
- 9-Week Campus Reviews are conducted by the assistant superintendent and campus admin. teams.**
- Tutorials are offered for students at all campuses both during and after school hours.**
- "Learning Walks", walk throughs are conducted at all campuses. A consistent form is utilized by all administrators as they work**

**to meet targeted goals for each 9-Week Period.**

**Problem Statements Identifying District Context and Organization Needs**

**Problem Statement 1:** LISD will continue to focus on increasing collaboration and vertical alignment between campuses. **Root Cause:** The multitude of subject and grade level requirements, make it challenging to coordinate trainings between grade levels at different campuses.

# Technology

## Technology Summary

**As a district, we consistently upgrade our network infrastructure to match the growing demands of our users. We have increased internet and bandwidth capabilities to ensure our multiple forms of multimedia and devices are supported. We have equipped all 3rd - 12th grade students with mobile devices (Chromebooks) for use in the classroom.**

**Additionally, the district has increased wireless and wired capabilities on all campuses. Through Erate C2 funding our infrastructure was increased from 1GB to 10GB during the Summer of 2015 and refreshed again through ERATE C2 during the Summer of 2021. The district has added a wireless network (WLAN) at all campuses. The elementary schools currently have adequate WiFi coverage. For increased intranet bandwidth all schools located within the city of Lampasas have a 40 GB LAN which is in turn connected by a district wide 40 GB WAN. LISD also leases through ERATE C1 funding, a 10GB Point to Point fiber connection between Lampasas ISD proper and Taylor Creek Elementary.**

**Taylor Creek has a 40GB LAN connection within the campus.**

**Four of the five campuses share 1 GBPS of internet bandwidth. The fifth campus, Taylor Creek Elementary, will increase their bandwidth connection during the Fall of 2022 from 300MBPS to 1GBPS. In addition, LISD will have internet redundancy between Taylor Creek Elementary (Brightspeed) and LISD Proper (AT&T) during the Fall of 2022. In the event that one internet provider goes down, the other ISP will provide internet until repairs are completed**

## Technology Strengths

### **LISD Technology Strengths:**

**Teachers and students continue to become increasingly proficient with a variety of devices and software applications. These include both mobile and non-mobile, PCs, Chromebooks, and iPads. Elementary classrooms are equipped with desktop PCs for teacher use, and at least one Chromebook cart per grade level for grades K-5. The use of these Chromebooks at the lower elementary level helps prepare them for the 1:1 Chromebook environment, which begins in 3rd grade. We continue to explore other, additional options for elementary classrooms, including a limited number of Ipads.**

**Our 1:1 program includes all students in grades 3-12. These students are issued individual devices for instructional use, which are funded using both TIMA and general funds. Additionally, we rolled out Chromebooks to all middle school and high school students (phase 3 and 4) during the 2019-20 school year.**

**Our 1:1 initiative continues to support our ultimate goal of not only preparing our students for a technology-infused life and culture after graduation, but to also provide more personalized instruction, differentiation, and authentic learning and assessment opportunities within our district.**

**To support these efforts, the district has expanded teacher support and professional development opportunities by utilizing our**

**Instructional Specialists, in conjunction with our campus technologists, who collaborate to provide direct support to all aspects of the 1:1 initiative.**

#### **Problem Statements Identifying Technology Needs**

**Problem Statement 1:** It is a challenge to continue to provide students and staff of LISD with up to date educational software programs and devices. **Root Cause:** Growing student enrollment and the need for additional devices for state testing has added to the problem.

## Priority for Service (PFS) Action Plan for Migrant Students

As part of the Every Student Succeeds Act (ESSA), the Priority for Service (PFS) Action Plan is a required program activity for the Migrant Education Program. In providing services with funds received under this part, each recipient of such funds shall give priority to migratory children who have made a qualifying move within the previous 1-year period and who are failing, or most at risk of failing, to meet the challenging State academic standards; or have dropped out of school. [§1304 [20 U.S.C. 6394](d)].

The Priority for Service Report on NGS must be used to determine who to serve first and foremost with MEP funds. Students are identified as PFS if they meet the following criteria:

PFS Criteria Summary			
RECENT QUALIFYING MOVE			
Student who have made a qualifying move during the previous or current reporting period (within the previous 1-year period);			
<b>+</b>			
FAILING OR MOST AT RISK OF FAILING			
Student who are failing, or at risk of failing, to meet the challenging State academic standards; or have dropped out of school.	Grade Level	Grade Level	Grade Level
	K-3	3-12 and UG	7-12, OS, UG
Must have at least one of the following designations:	Must have received a state assessment score/designation of:		
- LEP/EL	- Failed		
- Over age	- Absent		
- Retained	- Exempt		
	- Not Enrolled		
	- Not Tested		
	- At-Risk of Failing		
	Must have been designated as a drop out student on NGS:		
	- The Drop Out indicator and date are linked to each history line.		

The following document is provided by TEA for districts to help document efforts that are being conducted on behalf of Priority for Service students. It contains all of the required components as described in Part 4 of the ESSA Application in the Provisions and Assurances, but also allows room for districts to add additional activities. Each district's plan must clearly articulate criteria for defining student success, including timelines for achieving stated goals and objectives.

<b>Region:</b> 12

## Priority for Service (PFS) Action Plan

**School Year: 2023 - 2024**

<b>Filled Out By:</b> Tonya Ramos and Polo Vielma
<b>Date:</b> 07/10/2023

*Note: Title I, Part C Coordinator or MEP staff will include the PFS Action Plan in the district improvement plan as a separate section appropriately labeled or identified (e.g., "Migrant PFS Action Plan Section"), rather than integrating the action plan elements with other DIP sections that focus on other student population groups (e.g., Bilingual, ESL, economically disadvantaged).*

<b><u>Goal(s):</u></b>	<b><u>Objective(s):</u></b>
To ensure that identified Priority for Services migrant children in Region 12 Migrant SSA districts receive interventions in order to succeed in school.	Region 12 MEP will identify migrant children and youth who require priority access to MEP services and develop a plan for serving such students in Region 12 SSA districts.
