# Mission Statement

---

The mission of the Lampasas Independent School District is to develop and encourage life-long learners and to share in the responsibility of educating the total child. The District strives to prepare the students physically, mentally, socially and morally toward the full realization of their highest capabilities.

# Comprehensive Needs Assessment

Revised/Approved: September 19, 2023

## Demographics

### Demographics Summary

### LMS Enrollment

- 2019/2020- 814 students
- 2020/2021- 780 students
- 2021/2022- 805 students
- 20022/2023- 802 students
- Our numbers are always higher at the beginning of the school year, decrease a little mid-year, and increase at the end.

**Lampasas Middle School fosters a learning environment for 6th-grade through 8th-grade students.**

- 800 students ages range from 11 to 15
- open enrollment admission

### 2022-2023 Student Population

- 6th grade students, 107 females and 138 males
- 7th grade students, 119 females and 129 males
- 8th grade students, 170 females and 139 males

### 2022-2023 Race/Ethnicity

- White- 61%
- American Indian > 1%
- Hispanic- 29%
- Asian >1%
- African American- 2%
- Pacific Islander >1%
- Multi-Racial- 6%

## ***Student Groups***

### **Economically disadvantaged**

- 490 students are considered economically disadvantaged
  - 149 in 6th grade
  - 188 in 7th grade
  - 184 in 8th grade
- 51% of the LMS student population is economically disadvantaged
- Our percentage of economically disadvantaged students decreased by 10%.

### **Migrant students**

- LMS has no migrant students at this time

### **English language learners**

- 25 of our students are serviced under our ELL program
- 3.1% of the LMS student population, down 3.2% from last year

### **Military Connection**

- 29% of students at LMS are military-connected.
- LMS provides multiple resources to students connected to military families to assist with the transition to location.

### **Special Education**

- 177 students are identified as Special Education
- 21% of the LMS student population, up 3% from last year
- 9% of the SPED population are coded as a student with an Intellectual Disability
- >1% of the SPED population is coded as a student with a Physical Impairment
- 14% of the SPED population are coded as a student with Autism.
- 7% of the SPED population are coded as a student with an emotional disturbance
- >1% of the SPED population is coded as a student with auditory impairment
- 13% of the SPED population are coded as a student with Other Health Impairment
- 51% of the SPED population are coded as a student with a Specific Learning Disability
- 4% of the SPED population are coded as a student with a Speech Impairment

### **Section 504**

- 131 students identified as 504
- 16.4% of the LMS student population, up 3% from last year.
- Including special education and 504 students, 37% of our students receive services due to an impairment, a 6% increase from the 2021-2022 school year.

### **Response to Intervention- RTI**

2020-2021- 161 students

2021-2022- 259 students

2022-2023- 168 students

### **Homeless**

- Seven LMS students are identified as homeless on the LISD student residency questionnaire.
- Twelve students were coded last year. The number has decreased by 63% from the previous school year.
- Free food services, counseling services, and benevolence funds are available.

### **Gifted**

- 70 students identified as GT
- 8.7% of the LMS population

### **Drop Out Rate**

There is no dropout rate to report for the middle school.

### **Student Discipline Rates**

- In 2019-2020, there were 1,141 offenses, but we missed the last nine weeks of school.
- In 2020-2021, there were 954 discipline offenses, but many students did virtual school last year, probably resulting in lower numbers.
- In the 2021-2022 school year, 1575 discipline offenses were reported at the district level, 587 being middle school discipline offenses.
- 166 students received referrals in 2021-2022
- 64% of the offenses were from white students
- 27.01% of the offenses were from Hispanic students, down 0.6% from the previous year.

### **Student discipline by ethnicity**

- 61% of our campus is white, and white students commit 64% offenses.
- 29% of our campus is Hispanic, up two percent from the previous year. 27% of the offenses are committed by Hispanic students, down 2% from 2021-2022.
- 8.4% of our campus is other ethnic groups, and other ethnic groups commit 12% of offenses.

## **Staff Data**

Lampasas is 96% highly qualified for all filled 2023-2024 school year positions. At this time, we have one teaching position available.

The total staff for Lampasas Middle School is 95

- Teachers- 70%
- Professional support staff- 5%
- Campus Administration- 7%
- Educational Aides- 18%

## **Demographics Strengths**

- 1) Discipline percentages mirror campus ethnicity percentages.
- 2) Consistent numbers in Special Programs.
- 3) Decrease in discipline for the school year
- 4) All staff members are highly qualified.
- 5) LMS staff receives professional development training to ensure we understand the complexity of our military-connected students, their families, and the implications of military service.

## **Problem Statements Identifying Demographics Needs**

**Problem Statement 1:** Students participating in 504 and SpEd increased by 6% over the last school year. **Root Cause:** A need for alignment in communication concerning student transitions from elementary to middle school.

## Student Learning

### Student Learning Summary

Lampasas Middle School significantly increased in 6th, 7th, and 8th grade Math and Reading STAAR scores and the Algebra EOC in the 2022 -2023 school year. LMS students also scored above the state average in 8th grade Social Studies Approaches, Meets, and Masters and 8th grade Science Approaches and Meets. In 2022, Accountability Ratings overall summary scored an 87 and earned seven Distinction Designations. STAAR results demonstrated 93% of testing data points equaled or surpassed the state average. Resulting in LMS making 6 out of 7 distinctions.

Reading STAAR Scores	Approaches	Meets	Masters
6th grade- All students	79%	57%	22%
7th grade- All students	82%	61%	31%
8th grade- All students	86%	56%	28%

Math STAAR Scores	Approaches	Meets	Masters
6th grade- All students	84%	57%	16%
7th grade- All students	63%	31%	3%
8th grade- All students	84%	41%	16%

Algebra EOC Scores	Approaches	Meets	Masters
	100%	86%	49%

8th Grade U.S. History	Approaches	Meets	Masters
------------------------	------------	-------	---------

	68%	35%	17%
8th Grade Science	Approaches	Meets	Masters
	77%	46%	11%

The state assessment data showed the campus grew in the percentage of students who Approached, Meets, and Mastered 6th, 7th, and 8th-grade STAAR Math and ELAR subpopulations. There is evidence of significant growth in the Algebra EOC Approaches, Meets, and Masters scores. The student Algebra scores significantly exceeded the state average. Algebra EOC Scores were % higher than the state average in Approaches, 41% higher than the state average in Meets, and 25% higher in the Algebra EOC Masters category.

In sub-populations, economically disadvantaged, special education, and Hispanic students, the data showed students in all three categories to be significantly above the state average in 8th-grade Social Studies, Algebra, Math, and 6th-grade Reading. Special Education students scored below state average on the 8<sup>th</sup> grade Science STAAR.

Moving forward, students will be identified based on their academic deficits, and student academic growth needs additional intervention to close the learning gaps.

Interventions and strategies to help these students are provided in the following forms:

- **Tutorials:** before, during, and after school done by teachers of all subjects
- **Intervention**
  - Elective Intervention pull-out
  - Prime-Time Intervention: Targets lower-performing students with additional support
- **Curriculum/programs:**

- Teacher-led
- Nearpod
- Common Lit- digital literacy program with ELAR articles and lessons
- Prodigy- game-based learning platform for ELAR and math
- Summit K12- Emergent Bilingual program
- XLR8- RTI Tier 2 once a week Elective pull-out
- IXL: Customizable educational program that focuses on personalized skills and concepts

### **Mondays-Friday.**

- Co-Teach Classes & Applied Classes: Targets our Special Education students with support from Special Education teachers
- Content Mastery: Assists our 504 students who receive accommodations
- LEP & GT Prime-Times: Provided to specific groups based on their needs

To increase STAAR scores across the board, all students will be participating in IXL during Prime Time in promoting math and reading lessons based on the student's individualized academic growth needs.

- 6th, 7th, and 8th-grade Reading scores exceeded state averages, and 6th, 7th, and 8th-grade Reading scores surpassed the campus scores of the previous year.
- 6th, 7th, and 8th grade Math scores exceeded state averages, and 6th, 7th, and 8th grade Math scores surpassed the campus scores of the previous year.
- 8th grade Social Studies scores exceeded the state average in 2022 and fell short of the reported campus scores in 2021.
- 8th grade Science scores exceeded the state average but showed a 3% decrease in Approaches, a 13% decrease in Meets, and a 12% decrease compared to campus scores in 2021.
- Algebra scores exceeded the state average 78% passing rate in the 2022 school year with a 100%.

While Economically disadvantaged and Hispanic students continue to be a concern, both groups surpassed state averages in Math and Reading in the 2022 testing data.

By having an additional counselor on staff and our intervention team being fully staffed, we will have a greater ability to track, identify, and serve all struggling learners in reading and math.

#### **Student Learning Strengths**

- 6th, 7th, and 8th-grade Reading scores exceeded state averages, and 6th, 7th, and 8th-grade Reading scores surpassed the campus scores of the previous year.
- 6th, 7th, and 8th grade Math scores exceeded state averages, and 6th, 7th, and 8th grade Math scores surpassed the campus scores of the previous year.
- 8th grade Social Studies scores exceeded the state average in 2022
- 8th grade Social Studies scores exceeded the state average in 2022
- Algebra scores exceeded the state average 78% passing rate in the 2022 school year with a 100%.

While subpopulation students continue to be a focus for the campus, the groups surpassed state averages in Math and Reading in the 2022 testing data. The additional interventionist on staff allows us to track, identify, and serve all struggling learners in reading and math.

#### **Problem Statements Identifying Student Learning Needs**

**Problem Statement 1 (Prioritized):** Special populations in 8th-grade Science fell below the state average in Approaches and Meets. **Root Cause:** Intervention primarily focuses on Math and Reading due to state requirements.

## **School Processes & Programs**

### **School Processes & Programs Summary**

#### **Personnel-Policy and Procedures**

Professional/staff development needs are determined by monitoring data, classroom visits by administrative staff, district feedback, department meetings, and individual conferences with teachers. New teachers also attend two days of training before the start of school to learn about procedures and routines for LISD. Curriculum instructional strategists and experienced teachers facilitate in-house staff development, while out-of-district workshops are also encouraged, with teachers bringing back information and sharing it with campus teachers.

LMS has a full-time curriculum instructional strategist, three interventionists, and an ESL coordinator who continuously monitors student academic growth and needs. Interventionists have created a schedule to work with students in small weekly groups to close learning gaps.

Considerable time is invested at the beginning of the school year, reviewing the teacher handbook, district policies and procedures, and detailed safety updates to ensure teachers know the campus and district expectations.

#### **Professional Practices and Procedures**

Administrators monitor the implementation of CIP objectives through classroom observations and collaborative leadership meetings and provide two-way communication about the observations through Eduphoria T-TESS. They also attend department meetings, analyze data using various testing instruments, and converse professionally about student achievement. Teachers use TEKS Resource System to provide a guaranteed viable curriculum across all grade levels and all core subject areas. District-wide common assessments and benchmarks are being implemented at the end of each nine weeks. SPED Co-teachers monitor student academic needs, accommodations, and student academic progress toward their educational goals.

LMS will utilize training and planning time to:

- Grow new staff members through targeted support
- Utilize departmental and committee meetings to gather staff input
- Provide planning time for core teachers and co-teachers to ensure that instruction is aligned with TEKS/SE and STAAR performance objectives
- Utilize Eduphoria Aware for campus data to check progress toward mastery and identify areas of weakness.

## **Campus Technology**

LMS continues to expand and incorporate technology resources into the classroom curriculum delivery and activities. Our 1:1 student ratio for Chromebooks continues to be essential for delivering campus instruction resources. Teachers and students continue to use and explore innovative educational applications in the classroom, enhancing the academic environment and providing instantaneous feedback.

Throughout the year, our curriculum instructional specialist and teacher experts provide technology assistance by sharing quick "a-ha" moments and learning opportunities through "Lunch and Learn." Teacher professional development during teacher conferences, e-courses, staff development days, and emails with "cheat sheets" and video links assist staff in increasing knowledge and mastery of the apps/websites we have at our fingertips.

Campus teachers fill out a survey at the beginning and end of the year to determine teacher professional development needs. The surveys drive the professional development session topics. Our instructional strategist reviews observation data collected every nine weeks during Learning Walks on the overall campus percentages and feedback the Administrators give to teachers. Our strategist also provides new or innovative strategies gathered from district professional development sessions.

All students are utilizing IXL, a learning platform providing diagnostics and individual lessons to meet the student's academic needs. The program will assist in decreasing the deficit in academic performance left by missed instructional opportunities over the last two years due to pandemic school closures and Virtual Learning. IXL is also being used for students who need accelerated Learning, as mandated by House Bill 4545.

Training technologists at each campus provides immediate assistance to hardware and software issues. The onsite technologist significantly

improves the wait time, communication, and understanding. Work orders are placed on Eduphoria and assist the technology team in tracking work orders' completion. In addition, technologists are available to all students before school and Prime Time for Chromebook maintenance.

Technology classroom management issues have decreased with implementing GoGuardian due to the 1:1 initiative. The firewall blocks many sites, but any breaches are now detected immediately by GoGuardian, and the technology team is simultaneously notified.

Another helpful resource implemented by the Lampasas ISD is to alert administrators for words indicating "self-harm." Suppose a student writes about or uses words it is programmed to recognize in any format (Word, email, Google Drive, or another site while on their Chrome book). In that case, it alerts the technology team and starts an investigation.

In addition, guidelines and expectations are established and signed off on so that students clearly understand how to use their devices at school and at home.

Students use proxy sites to bypass the system to block inappropriate sites but are consistently weeded out when discovered by administration or tech staff.

#### **School Processes & Programs Strengths**

- 100% highly qualified staff, including District of Innovation
- Consistent and purposeful staff development, both in and out of the district, and staff meetings
- Teacher mentoring
- Increase in intervention services and availability
- The Middle School curriculum instructional strategist is regularly involved in staff development to support teachers and instructional needs.
- Campus technology personnel available to support students and staff
- Strong curriculum in TEKS resource system
- Continued progress in using Chromebooks in the classroom with much assistance from curriculum specialists.

- IXL platform to help all students increase academic achievement in Math and ELAR
- Programs are in place to assist in closing academic gaps for students who are struggling.
- Open communication through department meetings
- Nearpod for Intervention
- Quizizz & GimKit for Interactive Formative Assessments to monitor student progress on concepts being taught in class
- Discovery Education & Khan Academy for Instructional Video Supports and exercises to increase student understanding

#### **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1:** The increase in artificial intelligence software has impacted student mastery of TEKS by the lack of utilizing original thoughts to complete online assignments. **Root Cause:** Provide teachers with training to assist in recognizing students optimizing artificial intelligence to complete school assignments.

# Perceptions

## Perceptions Summary

School culture is essential to fostering a safe academic and social-emotional development environment at Lampasas Middle School. We desire a campus where students feel safe and protected to reach their potential. We continue to focus on campus safety. In the past, we have had many opportunities for students to connect to Lampasas Middle School through campus beautification projects, extra-curricular activities, student leadership activities, and themed weeks to encourage student participation. We started the year with our Minnow Camp, an opportunity for our incoming 6th graders to come to our campus before the school year starts. This event allows incoming 6th-grade students to be introduced to procedures, culture, and middle school staff. Students also learn how to navigate the campus, find their teacher's classrooms, and get to know other students as our LMS Student Leadership Committee teaches them about our school culture, expectations, and layout. In addition, we are excited to bring back our Start With Hello week. Start With Hello Week helps students make contact with other students outside their regular social group, helping them realize that it is not difficult to help others feel included in a school environment. We also provide students with information to bring awareness to multiple causes to include:

- National Bullying Prevention Month
  - Educate and raise awareness of bullying prevention to protect students and limit the damaging effects of bullying.
- Red Ribbon week
  - Educate and encourage students to participate in drug prevention activities to raise awareness for health conditions and social issues associated with drug and alcohol use,
- Say Something
  - Bring awareness to the importance of recognizing warning signs of someone at risk of self-harm and to grow a community of upstanders who advocate for each other.
- Internet and phone safety- social media
  - Teaching students to be aware of potential threats and dangers associated with online activity. Students are also educated on the

importance of notifying an adult.

- The Month of the Military Child
  - Military-connected students are celebrated and recognized for their sacrifice and bravery on the home-front.

For on-campus student engagement recognitions, we implement Badger Coins, a student reward program in which students are rewarded for good behavior and have the opportunity to shop for items in our school store. We have counselors regularly visit with students to ensure they work through difficulties students may experience throughout the year.

### **Family and Community Involvement Summary:**

Lampasas Middle School offers numerous activities to involve parents and community members throughout the school year, supporting students' learning. These activities include but are not limited to Family ELL night, the Science, History, and Literary Fair, the annual end-of-the-year art show, the Distinguished Scholar awards, the National Junior Honor Society induction, and Awards night recognition in May. Families and community members are involved in school decisions by being a part of our campus and district site-based committees, being asked to participate in online surveys, and being encouraged to attend monthly school board meetings.

LMS provides several services to support families, community members, and students, encouraging healthy family relationships. These services include Minnow Camps for incoming 6th graders and their parents, Scott and White Wellness and Sexual Health, and bullying presentations by LMS counselors and the LMS School Resource Officer.

Lampasas Middle School emphasizes supporting military students and their families. Thirty-two percent of our school population are military-connected students. LMS provides professional development to staff presented by the Military Child Education Coalition titled “Serving Military-Connected Students” to ensure the staff understands the complexity of our military-connected students, their families, and the many responsibilities and implications of military service. LMS is part of the Fort Cavazos’ Adopt-A-School program. The 15th Military Intelligence Battalion works to provide military resources and services to our campus to nurture the intellectual, emotional, social, and

physical growth of children. The efforts to support the military population at LMS resulted in the campus being awarded a Purple Star. Lampasas Middle School was 1 of 150 schools in Texas to receive this honor.

We develop strong partnerships with businesses in the community. Our local businesses assist in rewarding students for being successful in the classroom. These businesses include STORMS, Subway, McDonald's, Sonic, Hoffpauir Chevrolet, Benny Boyd Motor Company, Putters and Gutters, and other local businesses. These rewards motivate students to continue to work hard in school. In a district our size, we feel very fortunate to have these partnerships and continue to look for other ways to support our students and families.

#### **Perceptions Strengths**

- Anti-bullying policies and kindness initiatives in place
- Many extracurricular activities (Band, sports, cheer, spirit club, radio club, robotics, academic UIL, One Act Play, etc.)
- Start With Hello- a week long initiative to broaden students' relationships on campus.
- Educate students on social-emotional well-being and the importance of speaking to an adult.
- T-Chat is offered through the nurse's offices, providing students with free sessions with a licensed
- Celebrating our military students and their sacrifice to our country.
- Many tutoring & mentoring procedures are in place to help those struggling (RTI, tutorials before & after school, Prime Time tutorials, pull-out intervention, STAAR tutorials, mentoring teachers, etc.)

#### **Problem Statements Identifying Perceptions Needs**

**Problem Statement 1:** There is an increased need for student social-emotional support and mental health resources. **Root Cause:** Student social-emotional wellness and mental health impacts student achievement.

# Priority Problem Statements

**Problem Statement 1:** Special populations in 8th-grade Science fell below the state average in Approaches and Meets.

**Root Cause 1:** Intervention primarily focuses on Math and Reading due to state requirements.

**Problem Statement 1 Areas:** Student Learning

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- District goals
- Campus goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

## Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- Federal Report Card and accountability data
- Local Accountability Systems (LAS) data

## Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR released test questions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Career and Technical Education (CTE) Programs of Study data including completer, concentrator, explorer, participant, and non-participant information
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Observation Survey results

## Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data

- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Career and Technical Education (CTE) Programs of Study data including completer, concentrator, explorer, participant, and non-participant achievements by race, ethnicity, gender, etc.
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

#### **Student Data: Behavior and Other Indicators**

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Student surveys and/or other feedback
- School safety data
- Enrollment trends

#### **Employee Data**

- Staff surveys and/or other feedback
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- T-TESS data
- T-PESS data

#### **Parent/Community Data**

- Parent surveys and/or other feedback
- Community surveys and/or other feedback

#### **Support Systems and Other Data**

- Organizational structure data
- Communications data
- Budgets/entitlements and expenditures data

# Goals

**Goal 1:** The Students in the Lampasas ISD will demonstrate exemplary performance in mathematics, science, social studies, and the reading and writing of the English language.

**Performance Objective 1:** By Spring 2024, students will meet or exceed state average on STAAR tests.

**High Priority**

**Evaluation Data Sources:** All students and each special population will exceed the state average on the STAAR tests, and meet ARD expectations.

Strategy 1 Details	Reviews			
<b>Strategy 1:</b> Common assessments will be given through Eduphoria Aware each nine weeks to evaluate student progress, target weaknesses and ensure instruction. <b>Strategy's Expected Result/Impact:</b> Identify student success and determine what drives lesson plans for the next nine weeks based on student performance on the Common Assessments in each core subject. <b>Staff Responsible for Monitoring:</b> Teachers; Principal; Asst. Principals; Curriculum Specialist  <b>Targeted Support Strategy</b> <b>Problem Statements:</b> Student Learning 1	Formative			Summative
	Nov	Jan	Mar	June
				
Strategy 2 Details	Reviews			
<b>Strategy 2:</b> Core teachers will incorporate the TEKS Resource System to the level of the Instructional Focus Document. <b>Strategy's Expected Result/Impact:</b> Utilizing the TEKS Resource System and Lead4ward Field Guides will drive Lesson Plans; highlight areas of need through Staff Development; Walk-thrus and Appraisals <b>Staff Responsible for Monitoring:</b> Teachers; Principal; Asst. Principals	Formative			Summative
	Nov	Jan	Mar	June
				

Strategy 3 Details	Reviews			
<b>Strategy 3:</b> Identified students will receive academic support in math and reading from campus interventionists, RTI (Activate), and enrichment. <b>Strategy's Expected Result/Impact:</b> Students receiving additional support outside of the core classes will show improvement on Common Assessments, Benchmarks, and STAAR Assessments. <b>Staff Responsible for Monitoring:</b> Interventionist  <b>Targeted Support Strategy</b> <b>Funding Sources:</b> - 282 - Elem & Sec School Emergency Relief-ESSER III - \$81,201	Formative			Summative
	Nov	Jan	Mar	June
				
Strategy 4 Details	Reviews			
<b>Strategy 4:</b> The Middle School will implement interventions for STAAR reading and math. <b>Strategy's Expected Result/Impact:</b> Students receiving additional support through intervention and RTI will show improvement on STAAR Results, Benchmarks, and Common Assessments. <b>Staff Responsible for Monitoring:</b> Principals; Teachers; Counselors; Asst. Principals; Interventionist;  <b>Targeted Support Strategy</b>	Formative			Summative
	Nov	Jan	Mar	June
				
Strategy 5 Details	Reviews			
<b>Strategy 5:</b> Based on prior year data, we will work to increase the production of all student groups, but emphasize improving the performance of:  -Sped students in math, reading, and writing -EB & economically disadvantaged students in math and reading  The Campus Instructional Specialist will train core-subject teachers, our ESL facilitator and SPED teachers on specific research-based academic strategies. <b>Strategy's Expected Result/Impact:</b> Teachers will become more familiar with efficient ways to pull data to quickly differentiate for student growth in the classroom. <b>Staff Responsible for Monitoring:</b> Principal; Instructional Specialist  <b>Targeted Support Strategy</b>	Formative			Summative
	Nov	Jan	Mar	June
				

Strategy 6 Details	Reviews			
<b>Strategy 6:</b> LMS will employ one campus librarian and one library assistant (FTE) in order to support student reading growth, promote accelerated reading instruction, promote our district reading initiative, and support teachers and students to achieve select reading goals.  <b>Strategy's Expected Result/Impact:</b> We expect to increase student reading improvement through book fairs, encouraging student library use during the school day, monitoring student reading performances, and updating library selections, etc., by the analysis from data gathered from the Common Assessments, Lone Star Book Club, Benchmarks, reports detailing number/type of books being checked out, and STAAR assessment.  <b>Staff Responsible for Monitoring:</b> Principal; Instructional Specialist;  <b>Funding Sources:</b> - 199 - General Fund - Library 99 Undistributed - \$108,866	Formative			Summative
	Nov	Jan	Mar	June
				
Strategy 7 Details	Reviews			
<b>Strategy 7:</b> Lampasas Middle School will employ teachers and support personnel to provide ongoing instruction and/or support to all students in order to promote continued student success in all academic areas. In addition, teachers and personnel will also provide ongoing support to students to help monitor the academic, social-emotional, and extra-curricular needs of students throughout the school year in order to produce student graduates and successful citizens.  <b>Strategy's Expected Result/Impact:</b> State Assessments, Common Assessments, Benchmark Assessments, Social / Emotional Lessons and Flocabulary.  <b>Staff Responsible for Monitoring:</b> Principals; Teachers; Special Education Teachers; ESL Facilitators  <b>Targeted Support Strategy</b> <b>Funding Sources:</b> - 199 - General Fund - Basic Education 11 - \$3,106,410, - 199 - General Fund - Instruction 99 Undistributed - \$12,312	Formative			Summative
	Nov	Jan	Mar	June
				
Strategy 8 Details	Reviews			
<b>Strategy 8:</b> Using Federally allocated Title IV funds for the 2023-2024 school year, the campus will partially fund one Instructional Specialist. This Instructional Specialist will provide teachers with training and support in the areas of: effective classroom teaching strategies, curriculum alignment, and instructional technology.  <b>Strategy's Expected Result/Impact:</b> Eduphoria workshop documentation of trainings, teacher surveys, increased state assessment results  <b>Staff Responsible for Monitoring:</b> Asst. ## Performance Objective 1 Problem Statements:

Student Learning

**Problem Statement 1:** Special populations in 8th-grade Science fell below the state average in Approaches and Meets. **Root Cause:** Intervention primarily focuses on Math and Reading due to state requirements.

**Goal 1:** The Students in the Lampasas ISD will demonstrate exemplary performance in mathematics, science, social studies, and the reading and writing of the English language.

**Performance Objective 2:** Interventions will be provided to all at-risk students.

**Evaluation Data Sources:** The AEIS Report will indicate sub-population gaps are narrowing.

Strategy 1 Details	Reviews			
<b>Strategy 1:</b> Interventions will be offered during school throughout the school year. <b>Strategy's Expected Result/Impact:</b> Through tutorials we hope to provide students an opportunity to grow and gain a better understanding of the concepts taught in class. <b>Staff Responsible for Monitoring:</b> Teachers, Principal, Asst. Principals, Interventionist; interventionist  <b>Targeted Support Strategy</b> <b>Funding Sources:</b> - 282 - Elem & Sec School Emergency Relief-ESSER III - \$81,201	Formative			Summative
	Nov	Jan	Mar	June
				
Strategy 2 Details	Reviews			
<b>Strategy 2:</b> Students who do not pass the STAAR test or identified as at-risk will be assisted by an interventionist and will receive additional support mastering concepts in core classes. <b>Strategy's Expected Result/Impact:</b> Targeted students will show improvement in the areas of weakness based on data collection (Eduphoria Aware and Edgenuity) and progress monitoring in the intervention classes. <b>Staff Responsible for Monitoring:</b> Principals; Asst. Principals; Teachers; Interventionist  <b>Targeted Support Strategy</b>	Formative			Summative
	Nov	Jan	Mar	June
				
Strategy 3 Details	Reviews			
<b>Strategy 3:</b> Students will be identified as at-risk using the State Compensatory Education criteria and be given specific tutoring and response to intervention activities to address areas of weaknesses to support academic success. <b>Strategy's Expected Result/Impact:</b> After identifying students that are at-risk, we hope to provide each student with multiple opportunities to grow in academics throughout the year. Utilizing these programs: PEIMS; TAPR; STAAR <b>Staff Responsible for Monitoring:</b> Counselors; Principals; Teachers; and Interventionist; Asst. Supt.  <b>Targeted Support Strategy</b>	Formative			Summative
	Nov	Jan	Mar	June
				

Strategy 4 Details	Reviews			
<b>Strategy 4:</b> Homeless students' needs will be met by providing support and assistance so that each student can be academically successful. <b>Strategy's Expected Result/Impact:</b> Students will improve on academic success, and also feel that LMS is a safe place for them to come during the school days. We will monitor through: PEIMS; McKinney Vento Surveys; Observations. <b>Staff Responsible for Monitoring:</b> Homeless Liaison; Principals; Teachers; Counselors; Office Staff  <b>Targeted Support Strategy</b>	Formative			Summative
	Nov	Jan	Mar	June
				
Strategy 5 Details	Reviews			
<b>Strategy 5:</b> Special population students including Special Education and Section 504 students will be monitored and will be provided with intervention activities when needed to ensure academic success through the IXL intervention program. <b>Strategy's Expected Result/Impact:</b> Students in each population will have the opportunity to improve on assessments across the board and work to improve overall understanding of the concepts taught in the classroom. <b>Staff Responsible for Monitoring:</b> Principals; Teachers; Interventionist; Sp.Ed. Teachers; Asst. Supt.  <b>Targeted Support Strategy</b> <b>Funding Sources:</b> - 199 - General Fund - SPED Allotment 23/33 - \$625,121	Formative			Summative
